Review: Ok ok place. Food was not so great, service was bad, they got all starters and main course together. Wouldn't recommend for a great fine dining experience as they mention

Review: We ordered some chicken snacks and it was not fresh. We told them to replace, they refused to do the same and told us it is like that. They even put that in our bill. Really disappointed with the service.

Review: Pathetic Service... Unresponsive staff. Very careless towards customers... I order only for Biryani and they took 40 mins to serve... They are spoiling the name of Hyderabad Biryani....worst taste...
